

IT'S THE THOUGHT THAT COUNTS.

VO: Lockdown's are miserable.  
Long lonely days, with no end in sight.  
You can't go out, you can't go to work...

The kids can't go to school.  
Shops, restaurants, pubs, cinemas  
all closed...

You can't visit loved ones...

And you begin to start wondering  
how much longer...

you can live like this...

Well you better get used to it.(PAUSE) Or...

# GET VACCINATED

Australian Government  
Department of Health

health.gov.au

Get vaccinated.  
Because vaccination is the  
only way we will beat  
this virus.

# CALL 1800 000 000 NOW

Australian Government  
Department of Health

health.gov.au

Call 1800 000 000 now  
to arrange a vaccination

# VACCINATION BEATS ISOLATION

Australian Government  
Department of Health

health.gov.au

Vaccination beats isolation.
